### 2<sup>nd</sup> hour/Adult education

**Adults of all ages** are invited to gather in the Worship Space for continued discussion of small group life and especially the small group shuffle, facilitated by Karl Shelly. If you're interested in being part of a small group, if you're currently in a small group, or if you have questions or opinions to share about small group life at Assembly, you are especially encouraged to participate!

There's also a second option if structured conversation isn't your thing: there will be a table with art supplies in the multipurpose space to make Ecclesiastes-inspired art or greeting cards.

#### HEARING ASSISTANCE

This worship space has two systems to help people with hearing loss participate more fully in our life together.

1. FM system. Get a receiver and ear speaker from the sound booth.
2. Hearing Loop accessed by hearing aids with t-coils. Find a seat in the worship space and turn on the t-coils in your hearing aids. (You do not need a receiver or head phones.) Talk to someone in the sound booth if you are having issues receiving the signal.
