**To the Congregation at Assembly:** I wanted to thank each and every one of you that helped with the transition of Walnut Hill Early Childhood Center. We were honored by the wonderful gifts, blessing and physical help that went

into moving and cleaning. I know that many hours were poured into the hard work and mess of moving and we are all forever grateful for all of your support. As those of you who have moved before know, sometimes things don't go according to plan. Our timeline got adjusted with some permitting approvals and our plan to open on January 8th came down to the wire. This move meant we didn't have the teacher's time we had hoped and planned for to thoroughly clean out the previous classrooms and storage. The staff spent most of their Christmas breaks rushing to prepare the new rooms and ensure the space was safe and ready for young children. Your understanding and assistance was not overlooked by all and we couldn't have done it without you! We look forward to continuing to have many friends at Assembly and hope you will watch for a date in the upcoming weeks to tour the new facility. Blessings, Erin Syslo, director Walnut Hill

**Merv, Rose, and Elena Stutzman** will be SOOP volunteers in Aibonito, Puerto Rico for a month beginning Feb. 17. We hope to help out at Academia Menonita Betania where Hurricane Maria left a lot of damage. If you have connections in Aibonito and want us to take greetings, let us know.

(repeat) **Throughout the renovation**, the building will have more dust than usual. We have cleaning crews coming in every Saturday afternoon at 3pm (let Naomi know if you would like to join future crews: [office@assemblymennonite.org](mailto:office@assemblymennonite.org)). However, it will be impossible to remove all dust from the entire building until the renovation is complete. If you have dust allergies, please consider bringing a mask.

(repeat) **The AMC kitchen** is without a toaster and we need one more electric kettle! If you happen to have an extra one of those that you're not using, please consider donating it. You can let Naomi know at [office@assemblymennonite.org](mailto:office@assemblymennonite.org)

(repeat) **We took some before pictures** of the meetinghouse, but are missing a couple of crucial shots: the North entrance (from the inside) and the North part of the gathering space (where the quilt used to hang and the children's picture board is set). If you happen to have those pictures in your archives, please send them to [office@assemblymennonite.org](mailto:office@assemblymennonite.org)

(repeat) **Welcome and take down** schedule for small groups for 2018 has been made and is attached at the top of this email. It's actually attached this time. I promise.

(repeat) **I have arrived back** in warm Luanda last week. Thank you to all for your kindness during the death of my father and while I waited for a visa to return to Angola. May you all stay warm. Mary Yoder Holsopple
