ANNOUNCEMENTS

assembly life and people

Spencer Glick Miller (K Parkside) turned 6 on Feb 27! Spencer pretty much loves chocolate! He likes gym at school and ninja classes. He also likes playing outside, riding his bike and playing in the sandbox. He enjoys cooking with mom, playing hot wheels with Landon and listening to his dad read Fox in Socks.

TODAY is the second Sunday of Lent. This Lenten season we will remember what God has done before (Old Testament) as we look at what God was doing during the time of Jesus. Just exactly *how* is the Kingdom drawing near? For more info, see the introduction attached at the top of this email, hard copies are on the lit table. 2nd hour during Lent will focus on resting in God's love and will include Taize singing, reflection and centering prayer.

TODAY we will share in a fellowship meal after 2nd hour. Please bring a dish to share along with plates and utensils for your household.

Construction Update! What to expect to see today: A newly installed fire wall door in the Multipurpose space that Dana quickly covered with drywall because it was just that ugly. Doors and cabinetry installed in many of the classrooms! What is planned for the next week: More finishing work on the North end of the building. Construction volunteer needs this upcoming week: We have two weeks to finish painting the rest of the classrooms

before the new flooring goes in. Please consider coming in this week or the next. See Naomi for details

TODAY Paul Meyer Reimer will be taking pictures for the Assembly Photo Directory (on our website [here](#)). Please find him after 1st hour if you'd like to add or update your picture, or you can email a digital copy to office@assemblymennonite.org. Please also see the round white table to view our current phone/address/email directories and use the clipboards to make any changes to your information, or to add any new information.

Lora will be traveling for a Spiritual Care and Creative therapy conference, Wed-Sat, Mar 7-10. Please see Karl or Tom for pastoral needs.

2 Percent Committee is responsible for distributing money in the newly formed public school fund. If you know of current funding needs for projects within the public school system, please let anyone on the 2% committee (Phil Good-Elliott, Sarah Phend Horst, Sandy Fibley, Jim Lehman, Matt Lind, Dave Ostergren) know before their next meeting on Mar 11.

Small group Rad is happy to announce that Regina Shands Stoltzfus will be covenanting with the congregation during first hour on Sun, Mar 18. We hope you can join us in celebrating with Regina!

We at Mennonite Central Committee (MCC), along with our partners around the world, are blessed by your

continuing support for the work of MCC. Thank you Assembly Mennonite, for the many ways you contribute to the work of MCC. In addition to the donations, energy and time you give at relief sales, thrift shops, meat canning and with material resources, your congregation contributed \$17,985.54 in 2017. We are especially grateful for your prayer support for MCC's work. Thank you! Les Gustafson-Zook, MCC Great Lakes

Central District Conference's February issue of Focus can now be read online [here](#).

(repeat) **Congratulations** to the Yoder Smucker family! Ada Yoder Smucker was born Sat, Feb 17 at 12:21pm, 7lbs 1/2oz. Named after Rebecca's grandma Ada Yoder. Rebecca and Levi would welcome some meals from now through March. You can sign up at takethemameal.com & search for last name "Smucker" with password "Ada2018", or use [this direct link](#).

(repeat) **Assembly has a new trash disposal** system! The dumpster we have always used along with Walnut Hill is larger and more expensive than we need. We are going to use Borden's smaller waste bin(s). We currently have one (gray and black) sitting next to the recycling bin (gray and blue) just outside the North entrance. Please dispose all garbage there and discontinue use of the larger dumpster.

(repeat) **Leadership Selection** worksheets are due tomorrow, Mar 5! Please discern within small groups both who you would like to recommend and who in your group would be willing to volunteer for various jobs. The link to the worksheet can be found [here](#) and below the link to the worksheet you will find a link to the committees and positions that need to be filled this fall. At the top of this email you can find that document along with a phone list that indicates members with an astrich.

(repeat) **Safety Networks**, an Assembly based immigrant support structure, is responding to the financial need of young immigrants wanting to refile DACA applications (to shield them from deportation) during what is expected to be a brief window of opportunity, as shared by Lisa Koop at our last Congregational meeting. Because Assembly's process requires 2 meetings to make a decision, we weren't able to allocate any of the 2017 surplus for this need, but Safety Networks has already assisted 3 immigrants and made funds available for more. We're not sure if there will

be enough funds to meet the need, so if you're inclined, place a check for Safety Networks in Assembly's offering. All funds in the Safety Network account are earmarked to assist local immigrants, and are managed by the team of Safety Network Coordinators in conjunction with Karl, the pastoral liaison. More information is on the literature table.
