assembly life and people

Tilly Schramm (3rd, Chandler) turned 9 on May 5th! Tilly likes to play soccer and piano and do gymnastics. She enjoys reading, biking and playing games with her family. She has guinea pigs and a dog. She is looking forward to taking horseback riding lessons and learning to drive a car!

TODAY we continue our Eastertide Worship series. For more info about this Eastertide series, see intro at the top of this email or on the lit table. During second hour you can choose to participate in one of four electives: What I'm reading (Worship space); How to break up with your phone (West side multipurpose); How to Raise White kids (Old church office, NE corner of the building); Some Assembly Required (for newer attenders- East side multipurpose space). For more details about spring electives see the descriptions at the top of the Assemblyline.

Construction Update! What to expect to see today: Altered South entrance and torn up South parking lot. Do not park South or West of the meetinghouse. What is planned for the next week: Flooring in the renovated space will continue to be installed. Holes will be dug in the South parking lot.

Assembly's pattern of collecting food for the Window has been an important way to share with our community and include our children in worship. However, in the past year or so, collections have tapered off and both space and time considerations have made this practice more challenging.

Worship committee is proposing a break from our corporate worship Window offerings. TODAY, May 13 will be our last collection, so please give generously. If you have ideas of how to modify this practice or strong feelings about it please feel free to contact Tom Kauffman.

Rieth Park Neighborhood Association is one mode of potential outreach to the community for Assembly. If you live in the area between College Avenue and Plymouth, from the railroad to 16th St., your presence at our meetings would be helpful and welcomed. Our next meeting is this coming Mon, May 14 at 7pm. Use the north entrance and make your way to the worship space.

Come celebrate with our high school seniors! There are 5 Assembly seniors this year and Ben, Greta, Hannah, Simon and Elena invite you to attend their open houses. The details for each are: Simon Graber Miller- Sat, May 26, 11am-1pm, Graber Miller home, 208 River Vista Drive. Ben Good Elliot- Sat, May 26, 3-5pm, College Cabin, 309 Reservoir Pl. Elena Meyer Reimer- Sat, June 2, 12-2:30pm Meyer Reimer home, 618 S. 6th St. Greta Lapp Klassen- Sat, June 2, 6-9pm, Lapp Klassen home, 619 S. 7th. Hannah Kurtz- Sat, June 9, 5-8pm, Kurtz home, 201 N. 22nd St.

It is with joy that we will celebrate the baptism of Jeremiah Chico on May 27 during first hour. Offer your words of counsel and affirmation with him!

Assembly seeks one new MYF coordinator to work with high school aged youth throughout the year. You will be joining Daniel and Ally Mast. Coordinators receive a stipend for their work; two-year term is preferred. The job description is available on the website. To apply, submit a letter of interest and resume to Cynthia Good Kaufmann, chair of the MYF search committee.

Leadership Group's meeting on Monday included agenda items discussing an update to our safe church policy, next steps in transition work, building updates and much more. To follow the work of Leadership group you read approved minutes on the website.

Assembly's Spiritual Life Resources binder contains info about local spiritual directors, local retreats, and more. It currently resides on the left-hand side of the metal mailboxes. Feel free to take any document with more than one copy or make copies of any of the handouts.

A key labeled "Garden Meter" was found in the Assembly parking lot last Sun. If it is yours, please email office@assemblymennonite.org

Alex & Abby Nafziger Peterson have been home with Hans for over a week now. Alex is doing the cooking since he's on Family Medical Leave from his job. When he & Abby return to work, they will be happy for us to take meals to them. Small group 8th St+ will organize a sign-up for people to take meals once they're ready.

Tanzania Education Aid (TEA) thanks Assembly for your support. For a recent report on the organization, see a letter from TEA linked at the top of this newsletter.

John and Lois Nafziger have a basement apartment at 1807 Mayflower Place directly behind the hospital available June 1. It has a kitchen/living room, bathroom, bedroom and its own laundry. \$400/month all utilities included. Great location for Goshen college students. Call 534-3968 if interested.

In June Gwen Gustafson-Zook and Keith Graber Miller will take a group of 20 high school students to Guatemala for the Lilly-funded Study-Service Theology Term. They need someone to drive a 15-passenger to take them to and from O'Hare Airport -- early in the morning of Sat, June 9 (we would need to leave the college by about 3

or 3:30am that morning to catch an 8:54am international flight), and coming in on Sat/Sun, June 23/24 (flight comes in at O'Hare at 12:15am Sun morning, so the drivers would have to go up late Sat night and we would return in the middle of the night/early morning Sunday). Are you available and trained, or willing to do the one-hour training for the vans? We can pay \$150.00 for each trip. Please contact keithgm@goshen.edu if you are willing.

Rieth Park Neighborhood Association is seeking a volunteer to help with communication. This role involves about 1-3 hours/month and involves sending emails to neighborhood residents about upcoming meetings and events, preparing occasional one-page newsletters and posting on the neighborhood Facebook page. Please talk to Mary Gilbert if you're interested or know someone who might be!

Central District Conference's May issue of Reporter can be read [here](#).

(repeat) **Caring for the Corporate Body:** We are a congregation with diverse abilities, disabilities, and comfort levels; we experience the world differently. Please recognize that needs for personal space and touch are different for different people. Offer a hand in greeting and ask before you give a hug or greet someone in a physical manner. Some have serious scent allergies. Please don't use perfumes or scented lotions as you come to worship. Some have difficulty hearing. Please use the microphone and stand up to speak (if you're able) so that others will hear more clearly. Some are vision impaired and need to hold printed materials close to read them. Please respect their need to use their own song book and handouts.

(repeat) **Small group Maple** is delighted to recommend Danny Aramouni and Eliana Neufeld Basinger for covenanting TODAY, May 13! Please offer them your welcome!

(repeat) **The poem** Magdalene-The Seven Devils by Marie Howe, read during 1st hour April 29 can be read [here](#). Also, attached at the top of this email is a document titled "The Problem of Divine Plurality", reflections from Paul Keim on the 'divine plurality' cited in the Gen 1:26-27 reading from last week's sermon.
