

Welcome to Assembly Mennonite Church!

Who We Are

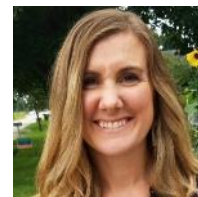

- [Assembly](#) is a congregation of [Anabaptist-Mennonite Christians](#) who have covenanted together as a worshiping community. We are a member congregation of [Central District Conference](#) of [Mennonite Church USA](#).
- [Begun in 1974](#) with the coming together of a number of small fellowship groups and house churches, Assembly today has about 180 covenanted members, and includes a few hundred participants of all ages—including over 100 children and youth. [Small groups](#) continue to be an integral part of Assembly life; currently over 200 adults participate in 25 small groups.
- We value shared leadership, participatory worship, inclusive language, justice and peacemaking. We have ministry teams focused on welcoming immigrants (Safety Networks), creation care/environmental justice (Green Team), dismantling the doctrine of discovery, and paying reparations to address the harm of white supremacy and colonialism. We are an inclusive congregation that welcomes our LGBTQ+ siblings. (We are currently in the midst of a process to revise and update our inclusion statement from 1999.) Our members are involved in local organizations such as [Center for Healing and Hope](#), [LaCasa](#), [First Light Mission](#), [ADEC](#), and [the Window](#), as well as many Mennonite institutions and service organizations.
- Our [pastoral team](#) consists of: [Anna Yoder Schlabach](#) (Worship & Pastoral Care), [Karl Shelly](#) (Mission, Peace & Justice), and [Scott Coulter](#) (Congregational Life & Hospitality). We are currently searching for [a part-time pastor of child, youth, and adult faith formation](#). You can read more about our pastors and their roles at Assembly [on our website](#). Our office staff team also includes [Becky Overholt](#) and [Naomi Roots](#).
