Thinkin' Like a Tree- by Lucas Lehman

V1: Thinkin' like a tree. Takin' our time

We are listening. To the music of life

The sound of the forest, is making us smile

As the birds keep chirping, and we sit for a while

Chorus:

Sooooo

Stretch out your branches

Fill them up with light

Send out the message

Share it left and right

Quiet as a mouse

Louder than the sea

The great big forest wouldn't be the same

If it weren't for you and me (X2)

V2: Rooted in the love. Our hearts are full

We are dancing, and it's making us whole.

We live for each other, and sometimes we die,

but we keep on growing, growing up to the sky

(Chorus)

V3: Messengers of joy, sharing the sun.

We are stronger, when we give everyone

a taste of the water, the sugar of life,

that'll heal our nation of the war and the strife

Bridge: The power of the forest, is hidden in the
Ground. Bridging roots that heal without
a sound
