My Coins Count

Les Gustafson-Zook

On earth an army is marching

1 On earth an ar - my is mar - ching, we're
go - ing home. Our long - ing bears a song, so
sing out strong. sing out strong: hal - le - lu - ya, hal -
le - lu - ya, hal - le - lu - ya, hal - le - lu - ya, hal -
le - lu - ya. hal - le - lu - ya.

2 With love our hearts are ablazing
for those who roam
and wander far away
through longing home.

3 Each day our friendship is growing
and with all speed
we share our bread and wine,
a hasty meal.

My coins count, (my coins count!) | My coins count, (my coins count!)

Sitting in my pocket when they could be doing good.

My coins count, (my coins count!) | My coins count, (my coins count!)

We can make a difference in the world.

1. If we look around us there are people that we see, all around the world,

Needing education or a chance to live in peace,

We can make a difference in the world, because...

2. The gifts we are given we are given to be shared, all around the world,

Doesn't matter if they're big or small when used with care, we can make a difference in the world, because...

3. When we work together there's a lot we can achieve, all around the world,

Witnessing to others that we live what we believe we can make a difference in the world, because...
